

Election Issues for Ethanol and Agriculture

FELC 2024

Dawn Caldwell, Executive Director

Legislation Congress “must” pass this year:

- Farm Bill (very likely another one-year extension)
- FY25 spending measures (in some form or fashion)
- NDAA

Key Issues Impacting Ethanol Production

- R&D Expensing/Tax Deduction
- Tailpipe Standards: CRA, Flex Fuel Fairness Act
- Year-Round E15 Legislation
- Governors' E15 RVP Petition
- Renewable Fuels Standard
- Inflation Reduction Act Implementation Update
- 40B Sustainable Aviation Fuel Credit Review
- 45Z Clean Fuel Production Credit Review
- Tailpipe Rule for Light Duty and Medium Duty Vehicles

CCS / CCUS Update and Outlook

Nebraska Legislative Outlook

- 14 or > New State Senators
- Property Tax / School Funding
- Water Quality / Quantity
- Energy
- Zoning

THANK YOU!
